Dear Dilip,

Thank you for the service you have provided our program this summer. Kid's Kab provides our students with the transportation that enables them to participate in our program. We also appreciate the great service you provided in transporting our children to Oak Brook Farms for horseback riding lessons. Your concern for our children and their safety while they are in your care is wonderful. We look forward to working with you again next year.

Sincerely,

David A. Dundek, Director  
The Avery Coonley School Summer Program
